CATERING

Welcome Home

WELCOME TO CHRISTOPHER'S RESTAURANT AT THE CATERING HOUSE!

A beloved Dayton institution for over 30 years. While we recently moved to a new location, our commitment to amazing food, amazing service, and giving you an amazing experience remains unchanged.

At our new location, we're proud to offer pared-down menus, focusing on our best and your favorite dishes - including some exciting new ones! It's a smaller kitchen and a smaller dining room, but we promise our team is still packing BIG flavor.

We know that great food is only part of the dining experience which is why we've created a warm, welcoming space that feels like home. Our staff is here to make you feel comfortable, taken care of, and part of the family.

If it's your first visit, make sure to say "hello" to the owners, Dave & Erika, Chef Steve, and the team. We can't promise to remember every name, but we're pretty good with faces - and love more than anything to welcome you back for a little "family reunion."

See you again soon ❤️
